2. The following queries have been received by this office. The response to the said queries is as below:

S.N.	Name of Company	Query/Request	Response from DSYA
1	TCM Platform	<p>1. Completion Certificate Requirement - The RFE mandates submission of a Completion Certificate from the client. In instances where a formal completion certificate is not available, would submission of the work order along with proof of payment or a completion certificate issued by a Chartered Accountant be acceptable for evaluation?</p> <p>2. Eligibility of BCCI Projects - Considering cricket is the most popular sport in India and the Board of Control for Cricket in India (BCCI) is the apex governing body for the sport, would work executed for BCCI be considered valid for evaluation under this RFE?</p> <p>3. Declaration of Office Setup - Kindly clarify whether the declaration regarding the office setup is to be submitted on the company's letterhead or on a stamp paper.</p> <p>4. Table No. 1: Category A, specifically Points 2, 3, and 4 - Could you please confirm whether a single work order and corresponding completion certificate can be submitted for these categories, provided the project value meets the combined requirements of all three points?</p>	<p>1. As per clause nos. 4 and 6 of the EOI submission of work completion certificate with required details annexed with filled in work experience format (Annexure H) is mandatory for consideration of required work experience.</p> <p>2. Please refer to Clause nos. 4 and 6 of the EOI for pre-qualification criteria and marking criteria.</p> <p>3. Not Required (clause deleted) - as per Clause 1 Sr. No. 3 of this corrigendum.</p> <p>4. Please refer to Clause nos. 4 and 6 of the EOI for pre-qualification criteria and marking criteria. Determination of qualifying the pre-qualification criteria and submission of no. of projects for consideration as per the marking criteria of the EOI is at the sole discretion of the AGENCY.</p>
2	Khelo Tech & Strategy Pvt. Ltd.	<p>We are a technology-based company and would like to inquire whether the technical components, including the Games Management System (GMS), will be part of the same EMA tender or if it will be floated as a separate tender.</p>	<p>This EOI is for empanelment of Event Management Agency (EMA) not provider of Games Management System. Scope of work is mentioned in clause no. 3 of the EOI.</p>

3	Gobananas	<p>1. Normally, Joint Ventures (JVs) are permitted for individual event-specific tenders where the scope of work is comprehensive and includes all aspects of event management. However, JV participation is being allowed at the empanelment stage itself in this tender. We would like to understand whether there is a plan to include a comprehensive event management scope of work under the purview of events to be managed by the empanelled agencies. This will help us assess the need for forming a JV at the empanelment stage</p> <p>2. We would like to understand what type of local network or resources are expected from the executing agency under this criterion. Can u specify what do u mean by local network in regard to this empanelment.</p> <p>3. We would like to understand what type of manpower is expected from the agency. Is there a specific benchmark or evaluation criteria for assessing manpower strength? Kindly prescribe the required categories, roles, or qualifications to ensure alignment with your expectations.</p>	<p>1. Please refer to clause no. 6.4 of the EOI. The scope of work mentioned in the EOI is tentative in nature. Actual scope of work would be similar to it but may vary as per individual events and would be provided in the LTEs/RFAQs that would be floated amongst empanelled agencies later on case-to-case basis.</p> <p>2. Local network refers to (but not limited to) the agency's capability to assess and handle last minute issues that may or may not arise during an event and provide quick solution to the same.</p> <p>3. The agency must have adequate qualified resources to ensure successful implementation of the project.</p>
4	Showcraft Productions Pvt. Ltd.	<p>As per the Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 issued by the Ministry of MSME and notified under the MSME Act, 2006, Clause 10 of the policy clearly states:</p> <p>"MSEs participating in a tender are exempt from payment of Earnest Money Deposit (EMD)."</p> <p>We hereby request you to kindly consider our application for exemption from the EMD on the basis of the above provisions.</p>	<p>Please refer to clause 1 sr. no. 5 of this corrigendum.</p>
5	Leisure Sports Management	<p>As per Marking Criteria for Category B wherein you want the applicant to submit Completion Certificate, we would request you to kindly consider Work order as all our Event & Project Management services are on-going. We are involved with HDFC Bank where we manage their annual Sporting extravaganza throughout Eastern India. This has started from 2023 after Covid and each year we are managing the event. Hence it is ongoing project, so Completion</p>	<p>As per clause nos. 4 and 6 of the EOI submission of work completion certificate with required details annexed with filled in work experience format (Annexure H) is mandatory for consideration of required work experience.</p>

		certificate is not available. We also manage a Sports Academy under Govt. of Arunachal Pradesh where we not only provide manpower, facilities but also manage all the academy's event. This is also an ongoing project starting from Sept 2021 onwards. Hence in these 2 cases we are not in a position to provide Completion Certificate. However, we can provide the invoices and TDS for HDFC Bank event management work.
